Dear Mr Davies

Over the past few years my Cabinet colleagues and I have been meeting regularly with community opinion leaders seeking their views on government policy and on issues that are important to their community.

These meetings have been very useful in providing feedback to Government and as a forum for good ideas.

Jaye Radisich, the Member for Swan Hills, has nominated you as one of the key opinion leaders in her local community.

I write to invite you join Jaye and I for breakfast, to discuss issues both within your local community and of general importance to the future of Western Australia, at

7am, Thursday 15 June 2006  
Premier's Office Boardroom  
24<sup>th</sup> Floor, Governor Stirling Tower, 197 St Georges Terrace, Perth.  
(please meet in the foyer to be escorted to the 24<sup>th</sup> Floor)

I very much hope you will be able to accept this invitation, and ask that you contact Donna Plummer in my office to advise of your acceptance, on 9222 9667 or by email to [dplummer@dpc.wa.gov.au](mailto:dplummer@dpc.wa.gov.au).

With best wishes,

Yours sincerely
