Hi Mike,

Finally everyone is back on board - so sorry for the delay.

Would appreciate the opportunity to run over the detail of our proposal. As discussed, it is quite different to Stoneville.

We thought perhaps the best meeting place would be at our planner's office  
Greg Rowe & Associates, 24 - 26 Wickham St East Perth WA 6004 on Friday  
22  
September after, say, 3pm?

Our planner and the developer will be in attendance (as will I) and we think two to three people with an interest in the project would be appropriate from your end.

Please note that we do not want to get into an argument, we just merely want to explain our position and address concerns.

We look forward to hearing from you and your confirmation.

Yours sincerely,

Amanda Fay
